TAMAR E070

# TAMAR

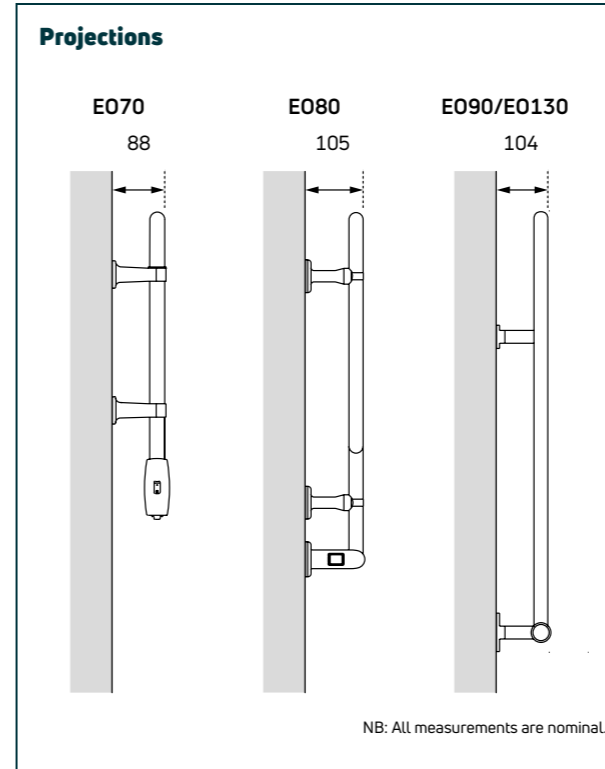

TAMAR electric towel warmers are innovative and practical designs that bring all the benefits of electrical heating into your bathroom. These towel warmers are easy to install, virtually maintenance free, and do not require any plumbing.

TAMAR E070 is an innovative, curved design that rotates 180° to give extra flexibility.

TAMAR E080 is an attractive curvy, serpentine design.

TAMAR E090 is a neat and compact design ideal for smaller spaces.

TAMAR E0130 is similar in design to the E090 but a taller alternative.
